

Installation process - Instructions

!!

Dog Training Blogger Package

!!

Step 1

Before we process to upload our files we would need to create mysql database.
Go to your cpanel and create one and remember the username and the passwords.
Go back to your "blog" folder and open up the "Upload" folder. Ones you have done this open the file "wp-config" - (with any editor you like) and you will see somethink like the file below

Code:

```
<?php
// ** MySQL settings ** //
define('DB_NAME', 'yourdatabasename'); // The name of the database
define('DB_USER', 'yourdatabasename'); // Your MySQL username
define('DB_PASSWORD', 'yourpassword'); // ...and password
define('DB_HOST', 'localhost'); // 99% chance you won't need to change this value
define('DB_CHARSET', 'utf8');
define('DB_COLLATE', '');
define('WP_SITEURL', 'http://www.yourdomain.com'); //!!!!!!!!!!!!!! Change this to your
own...!!!!!!!!!!!!!!
define('WP_HOME', 'http://www.yourdomain.com'); //!!!!!!!!!!!!!! Change this to your
own...!!!!!!!!!!!!!!
```

Edit the files with your database setings. DONT FORGET TO EDIT THE LAST 2 LINES OF THE CODE, OTHERWISE YOUR SITE WOULDNT WORK.

Put your own domain name their and save the file and close it.

Step: 2

Open the folder "Upload" and upload all the files inside as they are to your webhosting.

Step: 3

While you are waiting go back to your mysql database in your webhosting and open up the phpmyadmin.

Select the database for your new site (whatever you have called it while you created) and import the file "centrale_dog.sql". Close it.

Step: 4

After everything has been uploaded to your webhosting, type the url of your website into your browser and see if everything works correctly. DONE..... Your username and password to login to your wp-admin section are:

Username: admin

Password: 123456789

How to Add/Change the Affiliate Links and Adsense

To be able to add or change your affiliate links and adsense:

Step 1: Login in to your wp-admin section

Step 2: Go to "**Appearance**" and then you would see a link "**Revolution Lifestyle Options**" - click on it.

Step 3: Change your affiliate links and adsense (dont just replace the pub code because it won't work).

You are done...
